

PREPARANDO O AMBIENTE

- O Visual Studio Code é uma das melhores ferramentas para codar, pois ele consegue ter um suporte para diversas coisas, além de possuir terminal integrado e também fornecer uma interface agradável para organizarmos os projetos

Iremos instalar essa ferramenta entrando no site:
<https://code.visualstudio.com/>.

Após realizar o download, basta executar o arquivo .exe que a instalação vai começar e algumas opções vão surgir.

PREPARANDO O AMBIENTE

The image shows two screenshots of the Visual Studio Code setup process. The left screenshot is the 'License Agreement' screen, and the right screenshot is the 'Select Additional Tasks' screen. A large black arrow points from the 'Next >' button in the left screenshot to the 'Select Additional Tasks' screen. In the right screenshot, a yellow box highlights the first two options under 'Other': 'Add "Open with Code" action to Windows Explorer file context menu' and 'Add "Open with Code" action to Windows Explorer directory context menu'. At the bottom of the right screenshot, the '< Back', 'Next >', and 'Cancel' buttons are visible, with a mouse cursor pointing at the 'Next >' button.

License Agreement
Please read the following important information before continuing.

Please read the following License Agreement. You must accept the terms of this agreement before continuing with the installation.

LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

This limitation applies to (a) anything related to the software, services, content (including code) on third party Internet sites, or third party applications; and (b) claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your state or country may not allow the exclusion or limitation of incidental, consequential or other damages.

EULA ID: Visual Studio Code 14 November 2018

Select Additional Tasks
Which additional tasks should be performed?

Select the additional tasks you would like Setup to perform while installing Visual Studio Code, then click Next.

Additional icons:
☐ Create a desktop icon

Other:

- ☒ Add "Open with Code" action to Windows Explorer file context menu
- ☒ Add "Open with Code" action to Windows Explorer directory context menu
- ☒ Register Code as an editor for supported file types
- ☒ Add to PATH (requires shell restart)

< Back Next > Cancel

- Devemos marcar essas duas caixinhas para conseguir facilitar na hora de abrir o nosso projeto.

FERRAMENTAS ADICIONAIS

- Também precisaremos instalar o Node JS, para que consigamos utilizar nossos códigos em Javascript.

- Link para download: <https://nodejs.org/en/>

- No site deles, encontraremos duas opções:
- Precisaremos instalar a versão da esquerda

Download for Windows (x64)

14.17.6 LTS

Recommended For Most Users

16.9.1 Current

Latest Features

node-v14.17.6-x64.msi
[Open file](#)

- Agora vai ser só prosseguir clicando no arquivo .exe, igual quando fizemos com o VS Code.

node-v14.17.6-x64.msi
[Open file](#)

- Clicando no arquivo **executável**, uma tela de setup irá se abrir e poderemos apenas clicar em next e aceitar os termos, sem modificar nada
